DEI Committee Statement

SIIM does not support or endorse any law or regulation that is discriminatory. However, we recognize that our presence in a locale adds to the local economy. Thus, we understand that some SIIM members cannot, in good conscience, support travel to specific states with discriminatory laws. We admire your conviction and respect your decision.

SIIM is committed to supporting and celebrating a diverse membership. Each SIIM member's individual differences, life experiences, knowledge, inventiveness, innovation, self-expression, unique capabilities and talent collectively add to SIIM's sense of community, culture, and achievement. We believe that everyone deserves a sense of belonging and we strive to bring that value to every locale that we visit.

We hope that you will share the culture of belonging and acceptance with each person you meet along your journey to SIIM, whether you attend in person or remotely.
